

CSCI3180 Principles of Programming Languages

Ryan Chan

January 5, 2026

Abstract

This is a note for **CSCI3180 Principles of Programming Languages**.

Contents are adapted from the lecture notes of CSCI3180, prepared by [Lauren Pick](#), as well as some online resources.

This note is intended solely as a study aid. While I have done my best to ensure the accuracy of the content, I do not take responsibility for any errors or inaccuracies that may be present. Please use the material thoughtfully and at your own discretion.

If you believe any part of this content infringes on copyright, feel free to contact me, and I will address it promptly.

Mistakes might be found. So please feel free to point out any mistakes.
